## Serving & Spiritual Gifts

God created us for His service, and has designed a perfect purpose for us to accomplish in life. Each person is equipped with physical skills and spiritual gifts, given to us to serve His Church. This tool helps identify your primary spiritual gifts (based on Romans 8), so you can pattern your service how God has designed you. Remember:

1. All gifts are valid, but not all gifts are practiced in every situation.
2. All people have gifts, but not the same gifts.
3. All gifts are for growing us toward Jesus, not increasing our pride or power.
4. All people should use their gifts, but not limit their participation to just their gifts

## Serving on a Team

At Journey, we ask everyone to serve on a team, and support the family. Our expectations are simple:

- To serve on a team 2-3 times a month (most roles only require about 1 hour of time)
- To use your gifts and skills for the glory of God
- To maintain unity and a positive attitude about every job, realizing we are working for Jesus
- To welcome others on the team and encourage their growth as workers for God
