“The greatest among you will be your servant.” *Jesus – Matt 20:26*

At Journey, we take seriously the opportunity to be servants of the Most High God, and feel honored that Jesus would use us in His work. We try to make sure every person is able to contribute to the family and participate on a team. We’ve also learned from our members and leaders what basic disciplines make for a successful team, and have encouraged both leaders and team members to commit to those disciplines. Below is an outline of those commitments we make to each other as part of the Journey Team. We encourage every servant to model these commitments, as a demonstration of the love of Christ to Jesus and to their church family. It’s just our way of loving each other – one at a time!

Journey Servant Commitments

- **Take it Personally – Intentionally Practice the Mission** (Matt 28:18-20)
 - ☆ Live out the Mission every day – Pursue God & Love people one-at-a-time
 - ☆ Recognize every person has value, whether serving or being served
 - ☆ Practice and encourage the behaviors that match to our beliefs & values
- **Make it Better – Ministry Excellence w/ a Positive Attitude** (Phil 2:5, Eph 5:21)
 - ☆ Whatever we do, deliver it with joy and excellence, defect-free on time
 - ☆ Be Enthusiastic about serving the Kingdom and ministering to people
 - ☆ Give great care to anyone we serve, and own whatever needs done to bless each member or guest
 - ☆ Work to find and improve the experience for our members and guests
 - ☆ Believe and support the leadership and vision of the church, and church-wide goals
- **Collaborate – Invest in Communication** (Eph 4:15)
 - ☆ Reports activity & status consistently with the team and with your manager
 - ☆ Address problems and concerns in both truth and love, so that they can be eliminated
 - ☆ Build relationships with others and work together to make every team member the best we can be.
- **Replace Ourselves – Involve & Encourage Others** (1Cor 12:27)
 - ☆ Invest & disciple another person to join you in serving Jesus
 - ☆ Train up others to be a part of God’s work at Journey and in the Kingdom
 - ☆ Celebrate successes and encourage other people, and give specific thanks to those who help us serve

Journey Leader Commitments

While we all carry the responsibility of being committed to each other on the team, our leaders are also committed to the health and development of every team member.

We commit to:

- Do our best to model the Journey Servant Commitments along with every team member.
- Respond to mistakes with grace and mercy, but also address them for the sake of the team.
- Recruit servants for a season, and allow you to change or renew your service each season.
- Support volunteers who need to change their ministry area or modify their involvement.
- Request only 2-3 Sundays maximum per month of service for weekend ministries.
- Encourage every team member to attend a worship service for their own growth.
- Value your feedback, and implement ideas where it makes sense for the team or ministry.
- Pray for and support our teams – as they are part of our family.
- Lead the team the best we can, to meet the needs of the people we all serve.
